

WHAT IS THE ROLE OF THE BOARD?

The current Board is comprised of three (3) Melcor Directors that retain the Officer positions (President, Vice President, Treasurer, Secretary) and four (4) Resident Directors. The Board resolves to uphold RHOA's assets to a high standard for the long term use and enjoyment of RHOA's member residents. Melcor is dedicated to providing expertise and support in mentoring the Board. Resident Directors obtain the knowledge and direction to be prepared for the responsibility of overseeing operations of the RHOA in the future.

WHAT IS THE ROLE OF A RESIDENT DIRECTOR?

The Resident Directors are the eyes and ears of the community. A Resident Director plays an important role by being kept up-to-date with what's going on in their community, and by gathering feedback from neighbors and RHOA members regarding HOA issues. Resident Directors are required to attend Board Meetings, but do not have authority, responsibility, or liability for the development, operation, or management of the RHOA assets. Resident Directors, however, are instrumental in streamlining the society's Policies & Procedures, Rules & Regulations, governance and visioning. Melcor, as Manager of RHOA, retains the authority, responsibility, and holds all the liability to ensure that the RHOA is developed as designed, fiscally responsible and sustainable for the long term use of its resident members.
